Read This and Be Elevated.

Having purchased the establishment

of S. H. Brown, a conductor on a

street railroad in Buffalo, N. Y. In

October, 1901, he met a lady and her

two daughters in a car, and learned

that they had become penniless

through the loss of the lady's purse.

He advanced 15 cents to pay their

fares, and the lady took his address.

A short time ago he received a letter

postmarked Philadelphia, and in it

was a new \$1,000 bill, with a letter

thanking him for his courtesy over a

year.

Always Present.

God is always and everywhere present.

But all do not recognize His presence.

God is just as real to-day as He was

with the people of ancient times.

No more real was His presence with Enoch

than is His presence with those to-day

who do His work—Rev. W. F. Wykoff.

The Rattlesnake's Rattle.

The rattlesnake's rattle consists of a

number of hollow, horny rings, some

what like quill in substance, and inter-

locked with one another, while they

are so elastic as to permit of consider-

able amounts of motion between them.

These rings are not indicative of age, as has been supposed, since in

some years several appear, while in

others only one ring may be developed.

First Class Tailoring.

Ladies and Children Invited.

All ladies and children who cannot

stand the shocking strain of laxative

syrups, cathartics, etc., are invited to

try the famous Little Early Risers.

They are different from other pills.

They do not purge the system. Even a

double dose will not grip, weaken or

make people call them the Easy Pill.

W. H. Howell, Houston, Tex., says nothing better can be used for constipation, sick headache, etc.

Michael, Lafayette, Ind., says all

others gripe and sicken, while De Witt's

Little Early Risers do their work well

and easy. Sold by The Winston Drug
